This software is protected by United States copyright laws. It is illegal to make copies of this software except for backups. It is illegal to duplicate this software by any other means, including electronic transmission.

MadCat Software warrants that the original physical diskettes are free from defects in material and workmanship, assuming normal use, for a period of thirty (30) days from the date of purchase. If notification occurs within the warranty period and notification is determined by MadCat Software to be correct, MadCat Software will replace the defective disks. The entire and exclusive liability and remedy for breach of this Limited Warranty shall be limited to replacement of defective diskettes or documentation and shall not include or extend to any claim for or right to recover any other damages, including but not limited to, loss of profit, data, or use of the software, or special, incidental, or consequential damages or other similar claims, even if MadCat Software and Launsby Consulting have been specifically advised of the possibility of such damages. In no event will MadCat Software's or Launsby Consulting's liability for any damages to you or any other person ever exceed the lower of suggested list price or actual price paid for the license to use the software, regardless of any form of the claim.

The user's guide was prepared to help users of DOE Wisdom. No part of this work covered by the copyrights may be reproduced or copied in any form or by any means without written permission from Launsby Consulting:
